Care Bela Marsh, Boston

Dear Sir,

The Ex. Com. of the "_____ Abolition Society", just formed, are desirous of aiding the circulation of your great work on the "Unconstitutionality of Slavery," and they wish to do it in a way that will be most beneficial to you. Will you inform me how this can be done? Suppose, for example, I have \$50 to expend in this way, is it best to purchase the books of Mr Marsh or of you? And what will be the price of the bound & unbound? Is there more than one edition?

Do you own the Copy rights or does Mr Marsh? If he owns it what would he take for it? What profit [smudge] to you on the sale of each copy?

Very truly yours
