Lysander Spooner Esq.

Dear Sir.

Yours of the 18th is rec. with the paper containing the speech of Samuel E Seward, which I shall forward to W. . F. I should like to have another copy for my own references, and should bee [sic] glad to re-publish it, in some form, if practicable. Should we succeed in starting a weekly paper, I might find room for it. Please furnish us with a copy, if you can.

Yours truly
